Janice,
I am out of the office (unexpectedly) for the rest of this week.
Mindy Kairis remains the overall job point of contact as well as the POC for OGC.

Ex. 5 - Deliberative

While I'm out Bob Trent will be helping Mindy work with our liaisons and the technical POCs from the program office to line up the right people.

Thanks,
Mark

Hi Mark,

Ex. 5 - Deliberative

We think that the following offices/individuals are some of the right folks, but hope that you can determine what other officials should participate.

OGC – Erik Swenson, Jennifer Wells, Mindy Kairis OSWER – Both the Office of Emergency Management and the Office of Superfund Remediation and Technology Innovation OCSP OECA – Karin Leff

To the extent possible, we would like to minimize our travel time – if more than one meeting is needed and it is possible to hold the meetings back-to-back, we would really appreciate it!

Please feel free to give me a call with any questions! I appreciate your help!

Janice
